

AT THE MANGER

An angel came from heaven

to tell of Jesus' birth.

The baby born to Mary

would bring joy to the earth.

Joseph went with Mary

to pay the Roman tax.

To Bethlehem they traveled.

Mary rode on a donkey's back.

The journey was a long one,

and when they reach the town,

there were no rooms to stay in

except a stable brown.

The baby boy in a manger,

in that stable dark and small

Brought light into the world

and hope and joy for all!

**The shepherds came
to honor him.**

The wise men traveled long.

The glory of God was with him,

and he grew up wise and strong.
