EPISCOPAL CHURCH

RECRUITMENT AD

St. Paul's Episcopal Church Seeks a Coordinator for Children & Youth Formation

St. Paul's Episcopal Church of Duluth, Minnesota, seeks a coordinator and facilitator for the faith education of our young people, ages 0 – 18.

This faith community is 150 years strong, open and inviting, and evolving and reimagining – living out our mission to be a place for everyone, a ministry for everyone. We believe that all people are created in the image of God; that God's radically inclusive love excludes no one. Raised in another denomination? Never been in a church? Cradle Episcopalian? Still challenging, questioning and learning? All find a home here; we welcome everyone as we walk our faith journey together.

A progressive, open and affirming faith community, St. Paul's includes families of all shapes, sizes, and configurations. Our church seeks to offer joyful, curious, and hopeful faith education that equips young people with a solid foundation in God's love for them and tools for spiritual resilience that will last a lifetime.

The Coordinator for Children and Youth Formation is a half-time position that primarily focuses on executing classes (Sundays and Wednesdays), volunteer management, and record keeping.

Our ideal candidate is a person with a rich life of faith, has experience working with children and/or youth, brings joy to faith education, and is a strong collaborator with other leaders. Previous experience in volunteer management, recruitment, or retention is a plus. He or she is competent in Microsoft and Google software, keeps excellent records, and can communicate clearly about ongoing activities both with families and staff colleagues.

We have extended our application period until July 24.

Please email a resume, cover letter and two professional references (phone number and email) to:

The Rev. Maggie Nancarrow
rector@stpaulsduluth.org

For any further questions, inquiries may be made by calling the church office at [\(218\) 724-3535](tel:(218)724-3535).
Applications are due by July 9. Early applications are encouraged.
